Subject: Application 10/073,399

OFFICIAL

Dear Sir:

On January 2, I faxed my "Reply to Office Communication" related to the subject application. After receiving an objection to the format of my reply (Notice of Non-Compliant Amendment, mailed on 1/10/2003), I've corrected my "Reply..." and transmitted it by fax on January 25, 2003 to the Examiner (Mr. Douglas Butler).

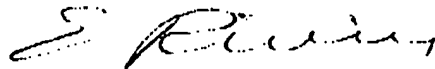

My "Reply..." of 1/25/03 is attached.

The corrected reply haven't reached Mr. Butler as he informed me in our telephone conversation on 9/8/03, and he sent "Notice of Abandonment" for the subject Application, mailed on 8/14/03.

Since the breakdown in communication with the USPTO in relation to the corrected "Reply..." was not caused by my actions, I respectfully petition for reinstatement of the subject Application for continuing prosecution.

Acknowledgement of receiving of the current communication is respectfully requested.

Respectfully submitted

Certificate of Transmission per MPEP 512

I hereby certify that this correspondence (five pages) is being facsimile transmitted to the Patent and Trademark Office (Fax No. 703.872.9326) on September 9, 2003.
